With many other retreats done in the past, you can be assured you will have a great weekend of relaxation and prayer. We have experience in sharing of music, talks, and overall retreat atmosphere.

Still not sure if you want to come? We have a number of us in the community all around Arizona that have been on retreats through CSC. Who knows, maybe someone in your community has been on a retreat. We are here also to talk to you and answer any questions to give you the best retreat experience possible! Saturday, August 18th 7:30–10:30 a.m.

We'll be doing "Shelter the Homeless" in the morning of Saturday, August 18th, and working with the non-profit Furnishing Dignity. They provide furnishings (such as mattresses, furniture, household items, etc.) to those who are homeless or youth aging out of foster care, as they move into a new house/apartment. Our group will be helping with their move/delivery day. We will meet at the Furnishing Dignity storage unit, help to load the moving truck, carpool to the client's home, unload the truck, set up the furniture, and unpack the household items. There are plenty of tasks for those who can help with lifting heavy items and those who would prefer less strenuous tasks. We'll also have cold water and snacks available for volunteers.. For more information, please contact csc@cscarizona.org.
